At the end of subtitle G of title XII, add the following:

SEC. 1283. ECONOMIC DEFENSE RESPONSE TEAMS.

(a) PILOT PROGRAM.—Not later than 180 days after the date of the enactment of this Act, the President, acting through the Secretary of State, shall develop and implement a pilot program for the creation of deployable economic defense response teams to help provide emergency technical assistance and support to a country subjected to the threat or use of coercive economic measures and to play a liaison role between the legitimate government of that country and the United States Government. Such assistance and support may include the following activities:

(1) Reducing the partner country's vulnerability to coercive economic measures.

(2) Minimizing the damage that such measures by an adversary could cause to that country.

(3) Implementing any bilateral or multilateral contingency plans that may exist for responding to the threat or use of such measures.

(4) In coordination with the partner country, developing or improving plans and strategies by the country for reducing vulnerabilities and improving responses to such measures in the future.

(5) Assisting the partner country in dealing with foreign sovereign investment in infrastructure or related projects that may undermine the partner country's sovereignty.

(6) Assisting the partner country in responding to specific efforts from an adversary attempting to employ economic coercion that undermines the partner country's sovereignty, including efforts in the cyber domain, such as efforts that undermine cybersecurity or digital security of the partner country or initiatives that introduce digital technologies in a manner that undermines freedom, security, and sovereignty of the partner country.

(7) Otherwise providing direct and relevant short-to-medium term economic or other assistance from the United States and marshalling other resources in support of effective responses to such measures.
